## Welcome to Missouri Virtual Academy!

MISSOURI VIRTUAL ACADEMY is a statewide virtual school program that uses innovative technology and a rich curriculum from K12. Our program encourages students and parents to grow and learn together by exploring their personal interests and collaboratively participating in academic pursuits.

Once you begin at Missouri Virtual Academy you are enrolling in more than just a school program. From the moment you walk through our virtual doors, you will experience a community devoted to you and your student(s). Our virtual academy has designed educational supports that both enhance the learning experience and provide you, as a parent, with strategies and techniques to help meet your student's unique needs.

At Missouri Virtual Academy, we believe that every student can flourish when given the opportunity. We believe in thinking differently, inspiring students, and partnering with our community. We do this by lifting students to higher standards and providing tools for success.

We are honored to partner with you in your child's education.

Best Regards,

The purpose of this student handbook is to give students and their parents an understanding of the general rules and guidelines for attending and receiving an education from Missouri Virtual Academy.

## **Who We Are**

Missouri Virtual Academy, a full-time at-home learning program of the Grandview R-2 School District, a public, statewide online school program for learners with a passion for knowledge. Our educators are dedicated to inspiring and empowering students in grades K–12 to reach their full potential. An engaging, highly interactive curriculum allows students to "dive deep" and includes the traditional core subjects as well as art, music, and world languages. Missouri-certified teachers conduct live, online classes and provide a personalized approach tailored to student needs. For students in grades 6–12, Stride Career Prep at Missouri Virtual Academy provides a jump-start on college and career goals with industry-relevant electives in Business, Health and Human Services, Agriculture, and Information Technology. Students also enjoy activities and clubs which bring Missouri Virtual Academy students together in an active, supportive school community.

Missouri Virtual Academy has the right to amend the school supplemental handbook, as new state regulations become available and at the discretion of the Grandview R-2 district. If Missouri Virtual Academy makes changes to the student handbook during a school year, the administration of the campus will communicate those changes in ways that are designed to inform parents and students of the new or revised information. A current copy of the handbook will be maintained on the Missouri Virtual Academy website.

## **Questions or Concerns?**

Missouri Virtual Academy staff recognizes that life at school does not always run smoothly. As problems arise, school personnel and parents must collaborate to solve them. Missouri Virtual

Academy staff also realizes that parents and students do not always know what to do or where to seek out answers and often give up and become frustrated when problems remain unsolved. Please follow these procedures for general information or for assistance in resolving a problem:

1. All concerns and issues should first be directed to the student's teacher via phone or email. If a Missouri Virtual Academy teacher cannot resolve the issue, he/she directs the parent to the appropriate contact for assistance.
2. If the concern is not resolved at this level, parents are advised to contact the Principal.
3. If you need the assistance of a language interpreter, please contact Mychelle Sloan, English Language Coordinator, at [msloan@missouriva.org](mailto:msloan@missouriva.org).

### **Admission of Homeless Children and Youth**

The McKinney Act of 1987, or P.L. 100-77, ensures that each child of a homeless individual and each homeless youth shall have equal access to the same free, appropriate public education as provided to other children and youth. Under the Act, schools are prohibited from delaying a homeless child's entry into school due to delays in obtaining school records. Rules regarding guardianship must be waived for homeless students living with foster parents or relatives other than their legal guardians.

### **The McKinney-Vento Definition of Homeless Children and Youth**

Subtitle VII-B of the McKinney-Vento Homeless Assistance Act (per Title IX, Part A of the Elementary and Secondary Education Act, as amended by Every Student Succeeds Act) defines homeless as follows:

The term "homeless children and youths"--

- B. includes—
  - I. Children and youths who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; or are abandoned in hospitals;\*

### **Admissions of Youth in Foster Care**

The Foster Care Education Bill of Rights The “Foster Care Education Bill of Rights” requires public school districts and child-placing agencies in Missouri to ensure youth in foster care do not fall through the cracks when it comes to receiving an education because of situations that they experience while in care. The Foster Care Education Bill of Rights requires school districts to designate a staff person as the educational liaison for foster children. The liaison shall do the following in an advisory capacity:

- Ensure and facilitate the proper educational placement, enrollment in school and check out from school of foster children.
- Assist foster care pupils when transferring schools by ensuring proper transfer of credits, records, and grades.
- Request school records within two business days of a foster child in a school; and
- Submit records of a foster child within three business days of receiving a request for school records.

Additional information about foster care supports is available by contacting Diana Mitchell, Special Programs Coordinator (504s, MKV, Homeless, Foster Care), at [dmitchell@missouriva.org](mailto:dmitchell@missouriva.org).

### **Notification of Rights under FERPA for Elementary and Secondary Schools**

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day Missouri Virtual Academy receives a request for access.
2. Parents or eligible students who wish to inspect their child's or their education records should submit to the Enrollment Coordinator a written request that identifies the records they wish to inspect. The school official will make

- arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
3. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
  4. Parents or eligible students who wish to ask Missouri Virtual Academy to amend their child's or their education record should write Missouri Virtual Academy's Executive Director, clearly identify the part of the record they want changed and specify why it should be changed. If Missouri Virtual Academy decides not to amend the record as requested by the parent or eligible student, Missouri Virtual Academy will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
  5. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
  6. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.
  7. Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. Missouri Virtual Academy intends to forward records on request.

8. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Missouri Virtual Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office  
U.S. Department of Education  
400 Maryland Ave, SW  
Washington, DC 20202-8520

FERPA permits the disclosure of PII from students' education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in § 99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, § 99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –

- To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in § 99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(3) are met. (§ 99.31(a)(1))
- To officials of another school, school system, or institution of postsecondary education where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of § 99.34. - To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as the State educational agency (SEA) in the parent or eligible student's State. Disclosures under this provision may be made, subject to the requirements of § 99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf, if applicable requirements are met. (§§ 99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary for such purposes as to

determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§ 99.31(a)(4))

- To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a state statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released, subject to § 99.38. (§ 99.31(a)(5))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction, if applicable requirements are met. (§ 99.31(a)(6))

## Directory Information

The *Family Educational Rights and Privacy Act* (FERPA), a federal law, requires that Missouri Virtual Academy, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Missouri Virtual Academy may disclose appropriately designated "directory information" without written consent, unless you have advised Missouri Virtual Academy to the contrary in accordance with Missouri Virtual Academy's procedures. The primary purpose of directory information is to allow Missouri Virtual Academy to include information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production.
- The annual yearbook.
- Honor roll or other recognition lists.
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA (Elementary and Secondary Education Act)) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA (Local Educational Agency) that they do not want their student's information disclosed without their prior written consent.

If you do not want Missouri Virtual Academy to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the Missouri Virtual Academy in writing by the second week of school, by emailing [MOVAoffice@missouriva.org](mailto:MOVAoffice@missouriva.org). Missouri Virtual Academy has designated the following information as directory information:

- Student's name

- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports

- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

The *Protection of Pupil Rights Act (PPRA)* affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–

**Attendance and Truancy**

Attendance at Missouri Virtual Academy is determined by your child's completion of assignments and assessments within all of his/her courses, as defined by MO Rev Stat § 161.670; thus, it is especially important that your child participates in online, offline, and live class sessions.

Student truancy will be monitored at Missouri Virtual Academy and may be cause for dismissal. According to the Core Data and Missouri Information System 2019 reporting manual, truancy reporting is *Required for all students except grade PK. A truant student has 10 or more consecutive days of unexcused absence from the school district* (p. 97).

In addition, when a student accumulates ten or more absences during any one school year, Missouri Virtual Academy must report your child's absences to the children's division within ten

business days of the 10th day of absence. Such notice will be in written form and retained in the student's school records, shall include:

1. The student's full name and parents' or guardians' full names.
2. The addresses and phone numbers of the student and parents or guardians.
3. The student's date of birth and age.
4. The student's current school and grade level.
5. The student's current grades for all classes in which the student is enrolled; and
6. The total number of days missed, and specific days missed from school.

**Thus, students will be marked as participating in a course for the week if they meet one of the following criteria:**

Grades K-5:

- Activity in any course (e.g., online, offline, lesson completion, live class, teacher communication)
- Student is within 10% expected progress in four or more courses

Grades 6 -12:

- Activity in any course (e.g., online, offline, lesson completion, live class, teacher communication)
- Have a grade of 60% or higher in each enrolled course

If a student fails to meet any of the requirements above, they will be marked truant:

- One week of not meeting a defined participation requirement equals 5 days absent
- Two weeks of not meeting a defined participation requirement equal 10 days absent
- Three weeks of not meeting a defined participation requirement equal 15 days absent
- Four weeks of not meeting a defined participation requirement equal 20 days absent

Please see Missouri Virtual Academy's section on Non-Compliance for attendance discipline.

### **Reporting Excused Absences**

Due to the flexible nature of the online program, student excused absences should only be reported, if the student is absent more than 4 days. Excused absences must be submitted and approved by Missouri Virtual Academy's administration. Absences will be reviewed based on reasonable causes, i.e., serious/prolonged illness, severe/prolonged injury, family emergency, etc. Excused absences not approved or not reported will be marked as days truant. Excessively truant students, as defined within the attendance and truancy section of this handbook will be at risk of being recommended not to continue in the Missouri Virtual Academy program. In

addition, Missouri Virtual Academy must report students truant to the State Department of Education. Attendance at Missouri Virtual Academy is determined by your child's completion of assignments and assessments within all of their courses, as defined by MO Rev Stat § 161.670. Thus, it is essential to have your student work on assignments and assessments, as prescribed by your student's teachers.

To submit a planned or unplanned absence as excused for administrative review, please complete the appropriate form below:

### **Course Completion**

While we want all students to complete and be successful in their coursework, it is essential to define what course completion means:

- In grades K–5, course completion means the student earned a Complete in the course and did not earn an Incomplete or become identified to repeat the course.
- In grades 6–8, course completion means the student earned a grade in the course at the end of the semester. This grade may be passing or failing.
- In grades 9–12, course completion means the student earned a grade in the course at the end of the quarter. This grade may be passing or failing.

Teachers will hold Live Class sessions throughout the week in the subject areas of Math, Language Arts, Science, Social Studies, Art, Music, and PE per grade level. Some grade levels will also have Live Class sessions for Health, Technology, and other electives. Some lessons may be taught with an interdisciplinary focus (i.e., using reading strategies for social studies material). Students in the elementary school shall participate in moderate physical activity for an average of one hundred fifty minutes per five-day school week, or an average of thirty minutes per day. Students in middle schools may at the school's discretion, participate in at least two hundred twenty-five minutes of physical activity per school week;

Students are expected to attend all subject sessions LIVE. In the event of session conflicts, Missouri Virtual Academy administration will work with the family to identify an alternative solution.

Up to 10 times per quarter, a teacher may request that a student submit designated workbook pages or other assigned offline work to verify student progress and provide timely feedback. The student or Learning Coach must submit the requested work within 24–48 hours. Submitted work must reflect the student's own work and, when handwritten work is requested, must be completed in the student's own handwriting.

It is the responsibility of the parent/student to follow up on any missed work. Attending Live Class sessions is considered for school attendance. Each student's grades and standing in the course will determine their individual expectations for attending sessions. Students are expected to attend all courses unless notified by their teacher that their attendance is not required.

## **Teacher and Staff Professional Qualifications**

The family may request information regarding the professional qualifications of your child's teachers, including whether the teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and whether the teacher is currently teaching in the field of discipline of his or her certification. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

## **Teaching Materials**

Parents may review all teaching materials, textbooks, and other teaching aids used in their child's classroom. Parents may also review tests administered to their child after the test is given. To review these materials during regular school hours, parents should contact the Missouri Virtual Academy principal for access.

Missouri Virtual Academy will notify the parent or legal guardian of each enrolled student of:

1. The basic content of the district's or school's human sexuality instruction to be provided to the student; and
2. The parent's right to remove the student from any part of the district's or school's human sexuality instruction.

If a student is enrolled in a course addressing this subject matter, notification will be sent to the appropriate families upon enrollment in the course and again two weeks prior to content delivery. Parents may opt out by communicating with the content teacher.

### **Objectionable Content Policy**

If a parent finds certain lessons, books, or materials to be objectionable, they should contact their Missouri Virtual Academy teacher with the lesson number of the objectionable content. The teacher will work with the Learning Coach to find alternative lessons to meet the lesson objectives. The assessment for the unit must be completed to show that the unit objectives have been mastered.

### **Special Education**

Missouri Virtual Academy will provide accommodations/modifications, adaptations, and assistive technology supports for students with disabilities according to their Individualized Education Programs (IEPs). Missouri Virtual Academy is responsible for developing IEPs, conducting evaluations, and providing special education services as defined by each student's IEP. If you have questions regarding the implementation of IEP accommodations/modifications, curriculum or course adaptations, or assistive technology needs, please contact your teacher or Kylee Angell, Special Programs Academic Administrator, at [kangell@missouriva.org](mailto:kangell@missouriva.org).

### **Child Find**

The Individuals with Disabilities Education Act includes the federal Child Find mandate. Child Find requires public school districts to identify, locate, and evaluate all children with disabilities, regardless of the severity of their disabilities. If you have questions or feel your child may need special education services, please contact your teacher or Kylee Angell, Special Programs Academic Administrator, at [kangell@missouriva.org](mailto:kangell@missouriva.org).

### **English Language Learners**

Missouri Virtual Academy will provide accommodations, adaptations, and assistive technology supports for students with English Learner (EL) needs according to individualized plans. Missouri Virtual Academy is responsible for developing English Learner Plans, conducting evaluations, and providing EL services. If you have questions regarding the implementation of EL Plan accommodations, curriculum or course adaptations, or assistive technology needs, please contact the English Language Coordinator, Mychelle Sloan, at [mysloan@missouriva.org](mailto:mysloan@missouriva.org).

## **Section 504 and Health Plan Supports**

Missouri Virtual Academy will provide accommodations, adaptations, and assistive technology supports for students according to their 504 Plan or Health Plan. MISSOURI VIRTUAL ACADEMY is responsible for the development of the 504 Plan or Health Plan, conducting evaluations, and providing services outlined in the 504 Plan or Health Plan. If you have questions regarding the implementation of 504 Plan or Health Plan accommodations, curriculum or course adaptations, or assistive technology needs, please contact Diana Mitchell, Special Programs Coordinator, at [dmitchell@missouriva.org](mailto:dmitchell@missouriva.org).

## **Extra-Curricular Activities**

Students enrolled in **Missouri Virtual Academy** may be eligible to participate in certain activities through their resident school district in accordance with Missouri law, MSHSAA requirements, and applicable resident district procedures. Families should contact their resident school district for eligibility and participation requirements.

## **Work Certificate**

Students ages 14 and 15 are allowed to be employed under Missouri law with some restrictions. To be employed during the school year, the School Year Work Certificate must be completed by the parent/guardian, student, potential employer, and appropriate school representative. For students ages 14 and 15 wishing to be employed, please contact your principal for guidance on the work certificate process. Students enrolled in Missouri Virtual Academy are public school students, not home-schooled students, so parents cannot complete the school representative portion of the work permit.

## **Voluntary Withdrawal**

To voluntarily withdraw a student from Missouri Virtual Academy, parents/guardians, or students who are 18 years of age or older, should notify the student's teacher in writing as far in advance of the withdrawal as possible. A parent withdrawal form must be completed before a student is withdrawn.

For students in grades 9–12 requesting withdrawal to pursue a GED/HiSET or to drop out, a conference with the high school counselor is required prior to withdrawal. Student course records will be sent to the requesting school within 48 hours.

To return hardware and materials, students will be contacted by K12 with return options. K12 will send pre-addressed, postage-paid shipping materials. The student/family is responsible for packaging and returning the computer and materials in good condition. Return labels may be requested at any time here: [How To Request UPS Return Labels](#) page. Families may also review which course materials need to be returned by visiting Learn [Which Course Materials Will Need to be Returned](#).

## **Homeschool Declaration**

Students withdrawing from Missouri Virtual Academy to pursue homeschooling or another educational option must provide written notification of that intent or complete the Missouri

Virtual Academy withdrawal process before the student is removed from Missouri Virtual Academy's enrollment. Missouri law addresses homeschool requirements in §167.012, RSMo, and written notification of intent to pursue other educational options in §167.042, RSMo.

## **Grading**

### **Report Cards**

Report cards will be generated and emailed following the end of each semester for K-8 and at the end of each quarter for HS. Current course progress can be viewed at any time in the online platform.

### **Grading Scale**

Students will be issued a letter grade for each course taken at Missouri Virtual Academy

If a student does not turn in an important assignment, the student will be given an incomplete/missing. When the student completes the assignment, he/she will be assigned a grade at that time.

Missouri Virtual Academy uses the following grading scale to determine final grades for grades K-5:

|              |
|--------------|
| 100 – 90 – A |
| 89 – 80 – B  |
| 79 – 70 – C  |
| 69 – 60 – D  |
| Below 60 – F |

Missouri Virtual Academy uses the following grading scale to determine final grades for grades 6-12:

|            |            |
|------------|------------|
| 96-100 – A | 73-76 – C  |

Students will be granted a high school diploma from Grandview R2, upon the satisfactory completion of required courses and the acquiring of the requisite number of credits as mandated by the Missouri State Department of Education and Grandview R2's Board of Education. Changes to your student's course of study should be addressed by contacting your student's Missouri Virtual Academy counselor.

*\*Honors, Advanced Placement (AP), and Dual Enrollment courses are weighted to reflect their increased level of difficulty. These classes carry an extra 1.0 GPA point, meaning an A in one of these courses is worth 5.0 instead of the standard 4.0. For example, a B in an Honors, AP, or Dual Enrollment class counts as a 4.0 on the weighted scale, while the same grade in a regular course counts as a 3.0. This weighted system encourages students to challenge themselves and helps*

*highlight academic achievement on transcripts. \*Please note that while this scale is used for class honors and school GPA, colleges may recalculate GPAs using their own methods.*

## **Grade Appeal Process**

An examination or course grade issued by a classroom teacher is final and may not be changed unless the grade is arbitrary, erroneous, or not consistent with Missouri Virtual Academy's grading policy. If you have a question regarding your student's final grade, please contact the classroom teacher for a conference. If the concern is not resolved, please contact your student's principal.

## **Individualized Learning Plans**

Per MO statute §161.670, Missouri Virtual Academy students are required to have an individual learning plan (ILP) designed by certified teachers and professional staff. For students in grades K-8, ILPs will include details about the student's courses, expectations, and goals for the school year as well as provide information about future academic and career planning. High school students will have an individualized graduation plan which will include information about their high school course plan, graduation plan, and a checklist to assist with post-graduate planning. This information will be aligned with Grandview R2's graduation requirements, and as defined on the student's ICAP (Individual Career Academic Plan). Each plan will be shared with each student and their parent/guardian. School staff will be able to assist individual families with any questions or alterations to their child's plans, as appropriate.

[Grandview R2 Graduation Requirements](#) (pg. 31)

## **Promotion, Summer School and Retention**

MO. REV. STAT. §162.110 states that a district's governing board must define the minimum level of achievement for student promotion. Specifically, governing boards must define which students should be promoted, attend summer school, or be retained within the district.

Per the Missouri statute, students should be promoted to a higher grade level unless they have a reading ability that is one or more grade levels below their current grade level.

In addition, a student who does not achieve grade-level standards shall be required to attend summer school. Please note, these rules would not apply to students receiving special education services, as this would be an IEP committee decision.

It is expected that most students in the schools will be promoted annually from one grade level to the next upon completion of satisfactory work. However, a student may be retained when his/her standards of achievement or social, emotional, mental, or physical development would not allow satisfactory progress in the next higher grade. Retention normally occurs before the student leaves the primary grades.

Every decision to retain or promote a student is considered individually. Factors to be considered are scholastic achievement, attendance, maturity, and standardized test scores. Retention decisions will be provided to families before July 1<sup>st</sup> of each year. For families wishing to appeal the principal's decision, please email the Executive Director. All appeals must be received within two weeks of notification of retention.

For more information, see Grandview R2's [Promotion and Retention Requirements](#).

### **Credit Recovery**

Credit Recovery is available for high school students at Missouri Virtual Academy. There are two routes to completing credit recovery:

1. Missouri Virtual Academy credit recovery courses (defined below).
2. Summer school courses through Missouri Virtual Academy's partner district Grandview R-2 at Missouri Summer Institute (MOSI).

The high school counselor meets individually with credit-deficient students to discuss graduation requirements and create a plan for completing the courses needed for graduation. Through guidance and strategic planning with the learning coach, counselor, and student, students can recover the courses needed to support graduation. These meetings will occur yearly during the ICAP review meeting and on an as-needed basis.

A student may take up to 2 credit recovery courses per quarter. If the student is a full-time student at Missouri Virtual Academy, approval from the school counselor and high school principal must be obtained before the course can begin. Reach out to your counselor for the full list of course names and details.

### **Transcripts**

Requests for official transcripts should be submitted during the enrollment process. Typically, students 18 years of age or older must make their own request. For students under 18 years of age, the parent/guardian must make the request. Official transcripts will include confirmed courses completed.

## Homeschool Credits

Missouri Virtual Academy will review homeschool credit documentation as part of the enrollment and transcript review process. Credits from homeschool coursework will be evaluated based on available documentation and awarded at the discretion of school administration.

## Student Privacy and Notice of Breach

Missouri Virtual Academy takes protecting your students' data very seriously. In the event of a breach of data that includes personal information of a student, Missouri Virtual Academy will send written notification to the parent or legal guardian of an affected student. Notification of a breach of personal information of a student will also be sent to the Missouri Department of Elementary and Secondary Education, and the state auditor. RS Mo §162.1475

To review the entire K12 privacy policy, please visit Stride's website, here:

<https://www.k12.com/privacy-policy.html>

## Assessments

Upon enrollment and at other designated times throughout the year, all Missouri Virtual Academy students will be required to participate in district assessments (Benchmark [STAR, IXL], dyslexia [STAR], Kindergarten Entry Assessment) and/or other assessments based on grade and course.

The purpose of these assessments is to determine what skills the student has mastered and individual standards for which the student needs additional supports. It is critical that your child completes each assessment assigned, since our testing is purposeful and meaningful and drives our instructional practices to best serve the individual needs of your child.

## End of Course Assessments for High School Courses

All students are required to take End-Of-Course examinations as required by the Department of Education. IXL will be used for testing preparation. In addition, the following rules and/or guidelines are used concerning end-of-course examinations.

- A. Grandview R2 must ensure that all students take required end-of-course exams (Algebra I, English II, Biology, and American Government).

- B. Students may only take an End-of-Course exam if they have shown mastery of course objectives or by counselor recommendation and communication with parent/guardian. Students who are not ready to take the exam must attend summer school or retake the class to qualify for the exam.

## Graduation Requirements

Students will be granted a high school diploma upon the satisfactory completion of required courses and the acquisition of the requisite number of credits as mandated by the Missouri State Department of Education and the Grandview R2 Board of Education; the recommendation of the superintendent; the payment of all monies owed to the Grandview School District; and the completion of all disciplinary penalties. Seniors must pass two credits (four courses) in each of their last two semesters to graduate, unless approved by the Board of Education (except for fifth-year students). Students must also take end-of-course exams as required by the Missouri State Department of Education to qualify for graduation.

## Graduation Ceremony Policy

Students must be eligible for graduation by May 1 to participate in the graduation ceremony. The ceremony at MISSOURI VIRTUAL ACADEMY follows specific guidelines to ensure a smooth

and respectful event. Students are not allowed to decorate their graduation caps, and they must walk across the stage without accompaniment.

## **End of Course Exams**

The Missouri Assessment Program assesses students' progress toward the Missouri Learning Standards, which are Missouri's content standards. End-of-Course assessments are taken when a student has received instruction on the Missouri Learning Standards for an assessment, regardless of grade level. All EOC assessments are available only online, unless a student's IEP indicates that a Braille, Large Print, or Paper/Pencil form is needed. Missouri's suite of available End-of-Course assessments includes: English I, English II, Algebra I, Algebra II, Geometry, American History, Government, Biology and Physical Science. Each student must take these four required Missouri End of Course Exams before graduation.

Aside from 24 academics credits and EOCs, students must pass the US and Missouri Constitution Exams, the American Civics Exam, CPR Training and the Career and College Readiness Exam.

## **Dual Enrollment**

Dual enrollment is a wonderful opportunity for high school students to earn college and high school credit simultaneously, without having to leave the high school setting. Eligible students can take courses through Ozark Technical Community College, St. Louis Community College, and Metropolitan Community College to earn credit at MOVA. Dual enrollment courses allow students to get a jump on their college coursework and give them a sample of what college studies are like. Students can take dual enrollment courses online during the fall and spring semesters. All dual enrollment courses are taken online with community college instructors. All MOVA dual enrollment courses meet the requirements of CORE 42. The core transfer curriculum, known as CORE 42, is a framework for general education that all Missouri public two- and four-year institutions of higher education adopted effective for the 2018–2019 academic year. The goal of CORE 42 is to facilitate the seamless transfer of academic credits. Additional information about CORE 42 can be found here:

<https://dhewd.mo.gov/core42.php>

There are eligibility requirements that need to be met to qualify for dual enrollment. Additionally, there is a cost associated with dual enrollment courses, which is based on the number of credit hours. Payment for dual enrollment courses is the sole responsibility of the student and parent. MOVA does not pay for dual enrollment courses. Additional information on MOVA's dual enrollment courses is available through the link below:

**Advanced Placement**

Students can earn college credit, advanced placement, or both with their AP Exam score, depending on the policy of the college they are interested in. Most colleges and university have a written policy describing how they award credit and advanced placement.

Students can search AP Credit Policies here: <https://apstudents.collegeboard.org/getting-credit-placement/search-policies>

**A+ Scholarship Program**

The A+ Scholarship Program provides scholarship funds to eligible graduates of A+ designated high schools that attend a participating Missouri public community college or vocational/technical school, or certain private two-year vocational/technical schools.

**Career Readiness Education (CRE)**

Missouri Virtual Academy helps students develop and hone success-ready skills and explore career fields to help students be successful in the workplace and their postsecondary intentions. Whether students intend to go to attend a postsecondary institution, enlist in the military, or start their career right out of high school Missouri Virtual Academy helps students combine passion and interests with the skills needed to compete for jobs in high-demand fields. These learning experiences will ensure that students develop transferable skills and assist in making career decisions.

All new Missouri Virtual Academy students and incoming 9th grade students will begin in the High School Explorations pathway. This will allow students to become more familiar with the pathways offered at Missouri Virtual Academy and these career opportunities. Please note that not all pathways will be offered every quarter and each pathway has different requirements for approval. Below is a list of Missouri Virtual Academy pathway options:

- Health Sciences
- Business

- Information Technology
- Agriculture
- Hospitality and Tourism
- Education and Training

### Certifications

Certifications are industry-recognized exams, that are related to the Career Pathway that a student chooses. Pursuing and achieving a certification allows students to acquire and practice career-readiness skills while also providing validation to potential employers and higher education institutions that the student has ascertained a specific certification. The Stride Career Prep Program is designed to prepare students within their career pathway to complete certification exams within their field of study. Such exposure and training will allow Stride students to distinguish themselves within the job market. Certifications will expose students to real-world workplace situations and allow students to show their future employers that they possess a particular set of skills and knowledge that will help them to be successful. For additional information, please see MODA's CRE Smore.

### **Cooperative Education**

The Cooperative Occupational Education program will allow students to earn course credit for working at a part-time job. In the "Cooperative Occupational Education" (Co-Op) program, students would take 2 courses and receive a half elective credit for each course. Students must already have a part-time job prior to applying for this program and you must remain employed throughout the semester to qualify for this program.

### **Early Graduation Requirements**

Per [Board Policy 2540](#), Graduation, with all attendant privileges, will be allowed any time after Seven (7) semesters of attendance beginning with grade nine and attainment of all requirements as set by the state and local School Boards. Early graduation should be part of a cooperative plan developed by students, their parents/guardians, and the school.

The above requirements may be modified in exceptional cases with approval of the Board of Education, upon recommendation of the Superintendent.

- A. Students will receive a regular diploma.
- B. The early graduating student will receive their diploma at the end of the school year (same time as other graduating eight-semester students).
- C. Students considering early graduation must complete and return an early graduation request form to the guidance counselor by the due date assigned. Failure to complete and return the required early graduation form to the high school guidance counselor by the due date assigned will make student attendance mandatory for the eighth semester regardless of the number of school credits earned.
- D. Early graduation request will be approved or denied by the Laquey R5 Board of Education at a board meeting. The decision made by the Laquey R5 Board of Education is final and cannot be changed once decided upon. For example, if the school board approves an early graduation request, the student can't later decide to return to school during the second semester.
- E. Students can graduate at the end of their first semester (second quarter) of their Senior year at the earliest.

Per [Board Policy 2540](#), a high school diploma will be issued to early graduating students upon the completion of the requirements as stated in Section II and approval of the Grandview school board. In addition, the following rules and regulations will also be followed:

- F. Student will receive a regular diploma.
- G. The early graduating student will receive their diploma at the end of the school year (same time as other graduating eight semester students).
- H. Students considering early graduation must complete and return an early graduation request form to the guidance counselor by the due date assigned. Failure to complete and return the required early graduation form to the high school guidance counselor by the due date assigned will make student attendance mandatory for the eighth semester regardless of the number of school credits earned.
- I. Early graduation request will be approved or denied by the Grandview R2 Board of Education at a board meeting. The decision made by the Grandview R2 Board of Education is final and cannot be changed once decided upon. For example, if the school board approves an early graduation request, the student can't later decide to return to school during the second semester.

- J. Students can graduate at the end of their first semester (second quarter) of their junior year at the earliest.

### **State Testing**

Missouri Virtual Academy students must comply with all Missouri-mandated testing requirements and complete the assessments required for their grade level and course placement. MAP Grade-Level Assessments and high school End-of-Course Assessments will be administered virtually. MAP-A assessments and English language learner screening assessments must be completed in person. Families are responsible for providing transportation to required in-person testing locations.

As we near testing windows, specific times and locations will be provided in advance for planning purposes. Please keep spring testing in mind when planning family trips, etc. as state testing is a mandatory attendance event.

If a student and/or parent/guardian has a conflicting situation with a staff member or curricular matter at MISSOURI VIRTUAL ACADEMY, the student/parent should follow the steps below:

1. Communicate first, via phone and email, with the teacher, counselor, or advisor involved in the situation.
2. If student/LC and the staff member cannot resolve the situation through conversation and/or meetings, then the student/LC should contact the Testing Coordinator, Cheyanne Wheelis at 314-396-2884

## **Parent/Student Escalation School Policy**

If a student and/or parent/guardian has a conflicting situation with a staff member or curricular matter at Missouri Virtual Academy, the student/parent should follow the steps below:

1. Communicate first, via phone and email, with the teacher, counselor, or other staff member involved in the situation.
2. If student/LC and the staff member cannot resolve the situation through conversation and/or meetings, then the student/LC should contact your building level principal.

## **Fees (All Grade Levels)**

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student.

## **Technology**

### **K12 Loaner Computer Policy**

Missouri Virtual Academy provides computers to students K-12 that qualify for Free/Reduced Lunch. Free/Reduced status will be collected at enrollment and each year after July 1<sup>st</sup>. Students must follow the guidelines in this handbook regarding Computer/Technology Misuse, Netiquette, and Misuse of Technology Resources and the Internet. Please reach out to your building level principal if you have further questions. If there is a computer/tech issue, parents should contact tech support within 24 hours

### **Internet Service Provider (ISP) Stipend Policy**

Families shall acquire and maintain Internet access to participate in the school. Missouri Virtual Academy will provide a stipend to qualifying families for Internet access. Eligibility is based on students who are approved and verified as McKinney Vento or who qualify for Free/Reduced lunch. There will be one ISP stipend per qualifying family in the amount of \$120. Families may elect to waive this stipend.

A stipend check will be mailed to the address provided within the Online School for those families enrolled through the end of the school year. Address changes must be submitted through the child's teacher and must be up to date by June 1. Missouri Virtual Academy will not re-issue checks due to addresses not being updated in the system. Internet stipends will be pro-rated per enrollment date. The ISP stipend will occur annually, and the check will be mailed

during the summer prior to the start of a new school year. Students who withdraw before the last day of school will not receive the stipend. Qualifying families must submit proof of internet at the end of the school year. This will be in the form of the internet provider bill showing the date of service and address where service is provided. The address must match the address in the Online School.

Internet stipends may not be provided to families who fail to comply with the attendance, progress, and teacher communication policies.

## **Non-Compliance Policy**

As full time Missouri Course Access Program (MOCAP), Missouri Virtual Academy is required to monitor student attendance and progress, in accordance with all applicable statutes and State Board of Education rules and regulations. Missouri Virtual Academy student attendance is monitored. See Attendance and Truancy Policy in the Parent Student Handbook for requirements for each school level. Missouri Virtual Academy teachers and administration will monitor student attendance and progress, which will be a determining factor in student advancement to the next curricular level and continued enrollment in Missouri Virtual Academy. A Missouri Virtual Academy parent or student may be deemed engagement concern for any of the following reasons:

- Failure to make sufficient progress
- Repeated failure to complete progress and/or attendance each day during the school year
- Failure to respond to staff/teacher/administrator phone calls, emails
- Failure to accept any Missouri Virtual Academy certified mail
- Failure to participate in scheduled parent, student, & teacher conferences/meetings
- Failure to attend required Live Class sessions
- Failure to submit required work by deadlines
- Failure to participate in state-mandated assessments
- Failure to participate in diagnostic or interim assessments
- Falsifying progress or student work in the Online School
- Providing student(s) access to an adult's Online School username/password
- Failure to participate in required intervention programs or sessions
- Failure to follow other school policies
- Failure to follow Individualized Learning Plan (ILP) requirements
- Failure to comply with agreed provisions set forth within a qualifying student's Individualized Education Program (IEP)
- Cyber-bullying and/or inappropriate behavior in any online capacity or at any Missouri Virtual Academy event.

**Engagement MTSS procedures:**

Prior to determining non-compliance, a staff member will communicate with the parent/learning coach the concerns of the teacher by phone with a follow up email summarizing the conversation.

- Call and speak to LC/guardian. Summarize phone call and send follow-up email to the LC/guardian. This step should be a phone call.
- If you cannot reach the LC/guardian via phone, staff is required to attempt another phone call within 5 school days. Staff must continue attempts during that 5-day period.

Staff will make every effort to support the parent/learning coach in his/her needs and to clearly and concisely communicate the policies and expectations for students and parents as outlined in the Student/Parent Handbook. Teachers will also refer to the students' Academic Improvement Plan and/or Individual Learning Plan. The teacher will conference with administration as needed for assistance.

**Step 1: Engagement MTSS Level 1**

When a student reaches Engagement MTSS Level 1:

1. The homeroom teacher will contact the family by phone to discuss the student's participation and review the Level 1 notification.
2. An Engagement Ambassador will send a Level 1 follow-up email to the family.
3. The Engagement Ambassador will begin meeting with the student weekly to provide support, identify barriers, and create a plan for success.
4. The school will document the student's Level 1 status and all support efforts.
5. Before a student is placed at this level, the school will consult with all applicable special program teams to ensure appropriate supports are in place.

**Step 2: Engagement MTSS Level 2**

If participation concerns continue, the student will move to Engagement MTSS Level 2.

1. The homeroom teacher will contact the family by phone to discuss the student's continued non-compliance and review the Level 2 notification.
2. An Engagement Ambassador will send a Level 2 follow-up email.
3. The Engagement Ambassador will meet with the student at least twice each week to provide additional support and monitor progress.
4. The school will document the student's Level 2 status and all interventions.
5. Before placement at this level, the school will again consult with all applicable special program teams.

If participation does not improve after these interventions, the student may advance to the final level of engagement MTSS.

### **Step 3: Engagement MTSS Level 3 (Probation)**

Level 3 is the final stage of the engagement MTSS process and places the student on probation.

1. School administration will review the student's status, including input from special program teams, before confirming Level 3 placement.
2. School administration will send a formal Level 3 notification explaining the seriousness of the student's non-compliance and the potential consequences if participation does not improve.
3. The Engagement Ambassador will meet with the student daily to provide intensive support and help the student re-engage in learning.
4. School administration will document all communications and interventions.
5. At the end of the review cycle, school administration will determine whether the student has made sufficient progress to return to Level 2 or will remain at Level 3.

### **Withdrawal**

If a student remains non-compliant after all intervention and support efforts have been exhausted, school administration may begin the withdrawal process. The homeroom teacher will provide the required documentation to support the decision.

Students who are withdrawn due to non-compliance may not be eligible for re-enrollment at Missouri Virtual Academy (MOVA).

### **Process for Engagement MTSS Students: Special Programs**

1. Missouri Virtual Academy's engagement MTSS policy is followed for any students regardless of disability. This is used for truancy, misconduct, and general non-compliance. Prior to level determination, ambassadors and must consult with special programs to ensure all staff are on the same page.
2. A manifestation determination (if necessary) conference is scheduled with a 7-14 day notice. This is sent via email, and phone call to a parent when scheduling. The special education teacher/504 coordinator will send out a meeting request to the general education teacher, special programs manager, principal, and other IEP team members as well.
3. The meeting will be held in the school required platform and a decision as to whether the act of misconduct is a manifestation of the student's disability will be determined by the team.
4. The finalized documents will be uploaded to Spedtrack and a copy of the forms will

be sent to the parent.

5. The case manager will log a note in PowerSchool to show that a manifestation was held and whether the misconduct was a manifestation of the student's disability.

\*\*\*All Special Program students that are having a manifestation will receive all documentation from either the SPED Administrator or SPED Coordinator.

## **Student Code of Conduct**

*The purpose of the student code-of-conduct is to emphasize student expectations and provide guidelines for appropriate online school behavior.*

Infractions are grouped into categories according to the seriousness of the offense. Each disciplinary action category gives a range of penalties which may be issued and are not all-inclusive. The disciplinary action to be taken does, however, provide students with a basic understanding of the seriousness of the offense. Furthermore, student penalties may be increased or decreased at the discretion of MISSOURI VIRTUAL ACADEMY administration and Grandview R2 according to each set of circumstances and according to past discipline problems.

It should be understood that not all disciplinary situations are covered in this handbook. Missouri Virtual Academy administration will use the appropriate Grandview R2 Code of Conduct as published in the student family handbooks for situations outside the bounds listed below. Further, the student's continued participation in MISSOURI VIRTUAL ACADEMY courses may be in question and the student may be withdrawn, based on Grandview R2's policy.

### CODE-OF-CONDUCT

Furthermore, when a student violates MISSOURI VIRTUAL ACADEMY's rules which also violate state laws, a complaint may be signed by MISSOURI VIRTUAL ACADEMY administration with the local Sheriff's Department. Some examples of these violations include, but are not necessarily limited to, the following:

1. Battery
2. Possession, distribution, or use of drugs
3. Theft
4. Vandalism
5. Fighting

## Seclusion and Restraint

Restraint and seclusion will apply to Missouri Virtual Academy student outings, or any student events hosted by Missouri Virtual. The purpose of this policy is to promote safety and prevent harm to all students, school personnel and visitors as well as treat all students with dignity and respect in the use of discipline and behavior management techniques.

### Seclusion

**Seclusion** is the involuntary confinement of a student alone in a room or area that the student is physically prevented from leaving. Seclusion does not include an approved timeout, in-school suspension, detention, or other appropriate disciplinary measures. Seclusion may be used only when there is an imminent danger of physical harm to the student or others and must end as soon as the student is no longer an imminent danger, as provided for in RSMo 160.263.

### Isolation

Isolation is defined as the confinement of a student alone in an enclosed space without locking hardware. Isolation may only be used by authorized school personnel such as an administrator or any person, paid or unpaid, working at a school function in an official capacity:

- After de-escalating procedures have failed.
- In an emergency where a student's behavior poses a serious, probable threat of imminent physical harm to self or others or another person's property; or
- As specified in a student's Individualized Education Program (IEP), Section 504 plan, or other parentally agreed-upon plan to address a student behavior.

### Use of isolation requires all of the following:

- The student to be monitored by an adult in close proximity who is able to see and hear the student at all times. Monitoring shall be face-to-face unless personal safety of the child or staff member is significantly compromised, in which case technology-supported monitoring may be utilized.
- The total time in isolation is to be reasonably calculated by the Academic Administrator or Executive Director on a case-by-case basis based on the age of the child and circumstances and is not to exceed 40 minutes without a reassessment of the situation and consultation with parents and/or administrative staff, unless otherwise specified in an IEP or Section 504 Plan or other parentally agreed-upon plan to address a student's behavior.
- The space in which the student is placed should be a normal-sized meeting or classroom commonly found in a school setting.

- The space in which the student is confined is comparable in lighting, ventilation, heating, cooling, and ceiling height to those systems that are in use in other places at the location.
- The space in which the student is placed must be free of objects that could cause harm.

Isolation shall never be used as a form of punishment or for the convenience of school personnel.

#### Physical Restraint

**\*Teachers are not trained in any form of restraint. If you think your student is at risk of needing restraint, we request that you stay onsite with the student during in-person events.**

#### Chemical Restraint

Chemical restraints shall never be used by school personnel.

Aversive interventions that compromise health and safety shall never be used by school personnel.

#### School Personnel Debriefing

Following any situation involving the use of seclusion, isolation, or restraint, as defined, a debriefing shall occur as soon as possible but no later than two (2) school days after the emergency. The debriefing shall include, at a minimum, a discussion of the events that led to the emergency and why the de-escalation efforts were not effective; any trauma reactions on the part of the student, other students, or school personnel; what, if anything, could have been done differently; and an evaluation of the process.

#### Parental Notification

Except as otherwise specified in a student's IEP or Section 504 plan:

Following a situation involving the use of seclusion, isolation, or restraint the parent or guardian of the student shall be notified through verbal or electronic means of the incident as soon as possible, but no later than the end of the day of the incident. The parent or guardian shall receive a written report of the emergency within five (5) school days of the incident. The written incident report shall include all the following:

- Date, time of day, location, duration, and a description of the incident and de-escalation interventions.
- Event(s) that led up to the incident.
- Nature and extent of any injury to the student.
- Name of a school employee the parent or guardian can contact regarding the incident and contact information for that employee.

#### Staff Training

Missouri Virtual Academy shall ensure that all school personnel are trained annually regarding the policy and procedures involving the use of seclusion, isolation, and restraint.

Reports on Use of Seclusion, Isolation, Restraint or Aversive Behavior Interventions Districts shall maintain records documenting the use of seclusion, isolation, restraint and aversive behavior interventions showing each of the following: when, reason for use, duration, names of school personnel involved, whether students or school personnel were injured, name and age of the student, whether the student has an IEP, Behavior Intervention Plan (BIP) or other personal safety plan, when the parents were notified, if the student was disciplined, and any other documentation required by federal or state law.

Missouri Virtual Academy reserves the authority to independently deal with sex discrimination and sexual harassment whenever becoming aware of their existence, regardless of whether a complaint has been lodged in accordance with the grievance procedure set forth below.

**Title IX Grievance Guidelines**

Any student, parent/guardian, current or prospective employee or other individual within the school community who believes he/she has experienced and/or observed sex discrimination or sexual harassment ("grievant") should promptly report the matter to the school's Title IX Coordinator, a school counselor, principal, or other school administrator. A Title IX grievant is requested to complete a complaint form (Appendix D). Complaints of alleged sex discrimination, including sexual harassment, brought forth by students, parents/guardians, current or prospective employees, and other members of the school community will be promptly investigated in an impartial and in as confidential a manner as reasonably possible, so that corrective action can be taken if necessary.

**Grievance Procedures**

The grievance procedures will be as follows:

1. It is the express procedures at Missouri Virtual Academy to encourage the prompt reporting of claims of sex discrimination and/or sexual harassment. Timely reporting of complaints facilitates the investigation and resolution of such complaints. A form for such purpose can be found on our website and will also be provided to grievant. As it pertains to students, in appropriate circumstances, due to the age of the student making the complaint, a parent/guardian or school administrator may be permitted to fill out the form on the student's behalf.
2. At the time the complaint is filed, the grievant shall be given a copy of these grievance procedures. It is the responsibility of the Title IX Coordinator or designee to explain these procedures and answer any questions anyone has. In addition, if the grievant is a minor student, the Title IX Coordinator should consider whether a child abuse report should be completed in accordance with Missouri Virtual Academy's policy on the Reports of Suspected Child Abuse or Neglect of Children.
3. The Title IX Coordinator or designee shall investigate the complaint as promptly as practicable but in no case more than ten (10) working days from the date the complaint was received. The Title IX Coordinator or designee shall have the complete cooperation of all persons during the investigation.
4. The Title IX Coordinator or designee shall meet with all individuals reasonably believed to have relevant information, including the grievant and the individual(s) against whom the complaint was lodged, and any witnesses to the conduct. The investigation shall be carried on discreetly, maintaining confidentiality insofar as reasonably possible while conducting an effective investigation.
5. If after an investigation, the Title IX Coordinator or designee determines that there is reasonable cause to believe that sex discrimination or sexual harassment has occurred, Missouri Virtual Academy shall take appropriate corrective action to ensure that the conduct ceases and will not recur. The Title IX Coordinator or designee shall also provide and or arrange for confidential counseling or training where appropriate. In addition, the Title IX Coordinator or designee shall seek an informal agreement between the parties which is consistent with Missouri Virtual Academy's Title IX principles and goals.
6. If no agreement satisfactory to the parties can be reached within twenty (20) working days from receipt of the complaint, the Title IX Coordinator or designee shall make a report to the School Board within thirty (30) working days from receipt of the complaint.
7. The School Board shall review the case and make its recommendations to the Title IX Coordinator within fifteen (15) working days after receiving the grievance.

8. The Title IX Coordinator shall make provisions to maintain all records of complaints and their disposition.
9. Retaliation against an individual for filing a complaint or cooperating in an investigation is prohibited, and Missouri Virtual Academy will take actions necessary to prevent such retaliation.

#### Dissemination of Information

Missouri Virtual Academy shall notify applicants for admission and employment, students, parents/guardians of elementary and secondary school students, employees, and sources of referral of applicants for admission and employment, that it does not discriminate on the basis of sex in the educational programs or activities which it operates, and that it is required by Title IX and its administrative regulations not to discriminate in such a manner. ## **School Outings & Student Activity Clubs**

Missouri Virtual Academy may sponsor optional outings for students and families that enhance the K12 curriculum/learning activities. While attendance is not mandatory, it is a wonderful opportunity to meet other school participants and share information about programs and successful practices. Outings are opportunities for both the students and parents to socialize. It is our hope that the teachers and parents will work together to plan and implement these activities. Parents are responsible for the cost of transportation and any entrance fees associated with optional outings. Credit for field trips is not offered in lieu of the regular K12 School requirements. Outings are scheduled in various locations, throughout the state, and where a majority of Missouri Virtual Academy students reside. Every effort is made to maximize outing locations throughout the year.

Missouri Virtual Academy expects students to dress appropriately when attending outings. Examples, of inappropriate dress include:

- Clothing, apparel, or jewelry that by words, signs, pictures, or any other combinations thereof, advocates or promotes sexual activity, violence, death, suicide, or the use of alcohol or drugs, or demeans, degrades, or intimidates another because of race, sex, religious persuasions, national origin, disability, or gang membership.
- Apparel that reveals or exposes the midriff/lower back or sides of the upper body or torso and/or undergarments.
- Any clothing that is excessively tight, of transparent material, see through material, or ripped or torn, or has suggestive signs or symbols.
- Any clothing through which underwear or any type of undergarment may be seen.

Missouri Virtual Academy parents and students are expected to conduct themselves appropriately at all optional outings. Parents are responsible for supervision of their children at all times.

School administration will work closely with the staff and students to maintain a healthy environment. Students who become ill or injured during an onsite event will immediately be reported to the administration or site lead. Parents will immediately be called if not onsite. If your child requires medication, you are asked to stay on location to provide it. Missouri Virtual Academy staff will not administer medication to students at optional school activities. Any health condition should be reported by the parent to Missouri Virtual Academy staff prior to the event.
